# AT-Setzungslisten

Die Setzungslisten für das A-Turnier Linz09

wurden erstellt und können nachstehend bezogen werden:

- [Einzel-Bewerbe](#)
- [Doppel-Bewerbe](#)

Erläuterungen zur Erstellung der Einzel-Setzungslisten:

1. Es wurde zuerst die aktuelle [Österreichische Rangliste](#) herangezogen
2. Danach wurde die Endrangliste der 1. Bundesliga [Herren](#) / [Damen](#) herangezogen
3. Zuletzt wurde die Endrangliste der 2. Bundesliga [Herren](#) / [Damen](#) herangezogen

Diese Reihenfolge ergab dann die endgültige [Setzungsliste](#) mit den Rängen 1 - 35 bei den Herren bzw. mit den Rängen 1 - 23 bei den Damen.

Erläuterungen zur Erstellung der Doppel-Setzungslisten:

1. Die Platzziffer der Doppelpaarung ergab sich durch Addition der Ränge aus der "endgültigen [Einzel-Setzungsliste](#)".
2. Im Damen-Doppel weisen die beiden ersten Paarungen die selbe Platzziffer auf, was aber auf die Setzung als keine direkte Auswirkung hat, da die Plätze 3/4 später ohnehin gelost und nicht gesetzt werden.

Die Auslosung erfolgt am Mittwoch, 12. August 2009.

Die Veröffentlichung wird voraussichtlich nach Überprüfung durch den Ausrichter am Montag, 17. August 2009 erfolgen.

Hier finden Sie den aktuellen [Nennungsstand](#) des A-Turniers (aktualisiert am 10.08.09, 13.05)

# **REGULATIONS**

of the

# **SUPERLEAGUE for CLUB TEAMS**

of THE TABLE TENNIS ASSOCIATIONS of  
CROATIA, CZECH REPUBLIC, HUNGARY, SLOVENIA, SLOVAK REPUBLIC, AUSTRIA  
**Season 2009/2010**

## **1) GENERAL PROVISIONS AND REGULATIONS**

The Superleague for Club Teams, in the following called the "Superleague", is an international league, organised as joint venture of specified Central European national table tennis associations for top club teams. ITTF Laws and Regulations for International Competitions shall apply to the Superleague, unless otherwise stated in these Regulations.

## **2) EVENTS**

There shall be separate events for men's and women's teams.

## **3) AUTHORITY FOR ORGANISATION**

A special committee consisting of one representative of each of the Table Tennis Associations of the Czech Republic, Croatia, Hungary, Slovenia, the Slovak Republic and Austria, called the "Superleague Committee", is the governing authority for the organisation of the Superleague. This committee can be extended on its own decision by representatives of further national table tennis associations having teams participating in the Superleague. This committee nominates one person as Organiser. It has to solve all questions finally which are not regulated otherwise.

The Organiser is responsible for preparing and announcing all publications of the Superleague. He shall circulate the Regulations for the Superleague to all relevant national associations and qualified clubs not later than 1 month before the closing date for entry and shall also publish the results of the draw as well as match dates and specifications of playing conditions and equipment immediately after the conduction of the draw. He shall receive and publish the results of all matches. He shall prepare and publish ranking lists of teams and individuals, deal with protests (of 1<sup>st</sup> stage), prepare an official news-letter, the "Superleague Info", carry out the necessary correspondence. All said communication shall be done, as far as possible, by e-mail. If a club has no e-mail address, its parent association is responsible to forward all relevant information.

## **4) QUALIFICATION**

Following team composition has been decided for the season 2009/2010:

Men: Slovak Republic 4, Czech Republic 3, Austria 2, Slovenia 2, Hungary 1;

Women: Austria 5, Hungary 3, Czech Republic 2, Slovak Republic 1, Croatia 1.

National associations are responsible for nominating their teams. If the intended number of 16 teams (men) or 12 (women) should not be reached, the committee is entitled to fill the vacancies by other teams affiliated to a national table tennis association.

## **5) COMPOSITION OF TEAMS**

Each team shall nominate a maximum of 15 players eligible for participation in Superleague matches until the 21<sup>th</sup> July before the start of the Superleague and shall submit this list to the Organiser. Each additional nomination of a player must be presented at least one day before the draw. But no addition to the 5 top ranked players of the team shall be accepted. Players shall be ranked by their playing level, priority has to be given to the official world ranking but, if a player is not included, to the national ranking list. If this ranking does not comply with the actual playing level, the Superleague Committee is entitled to modify the order. During the playing season the ranking order shall not be changed. The responsible national association has to confirm by the same date (21<sup>th</sup> July) that all players nominated are registered for the team's club in accordance with the association's regulations. In each match a team may nominate only 1 player not being eligible to represent an ETTU member association. In the 2<sup>nd</sup> stage players who did not complete at least 1 team match in the 1<sup>st</sup> stage are not eligible.

No player may represent a club in a Superleague match, if he/she is representing another club in any event or league in the same season. All clubs are obliged to cross out not eligible players from their nomination. Referees may verify the identity of players by checking their passports or other official documents.

A team nominating a non-eligible player shall lose the match by 0:7 respectively.

All clubs which have non European players in their teams are obliged to ask their opponent clubs before the start of each stage (1<sup>st</sup> stage groups, 2<sup>nd</sup> stage Champions and Challenge Play-off) to send an official invitation for these players in order to receive their visa in time.

## 6) SYSTEM OF PLAY

The competition of the Superleague 2009/2010 will be played in two stages and in the same system for Women and Men. All singles and doubles are played on best of 5 games.

### Women's Superleague and Men's Superleague

#### Group Stage:

This stage shall be played with up to 12 teams, in 3 groups of up to 4 teams each. In a group each team shall play each other team in home and away matches to determine the final group ranking. The no. 1 and no. 2 ranked teams are qualified for the Champions play-off and the no. 3 and no. 4 ranked team are qualified for the Challenge play-off determining the final rankings 7 – 12.

Group seeding is based on the total of the world ranking points of the 3 highest ranked eligible players (ITTF World ranking of 15<sup>st</sup> July 2008). Players who are not ranked in this list may be classified by the Superleague Committee.

Team no. 1 shall be placed in group A, no. 2 in group B, no. 3 in group C. The remaining teams shall be drawn by lot, 3 by 3, into the groups, observing that teams of the same association are separated into different groups, as far as possible.

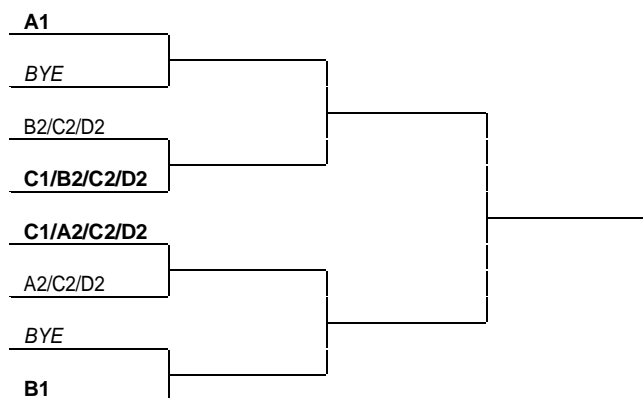

A	B	C
1	2	3
4-6	4-6	4-6
7-9	7-9	7-9
10-12	10-12	10-12

#### Play-off-stage:

This stage shall be played on knock-out system with home and away matches.

In the Champions play-off 1<sup>st</sup> and 2<sup>nd</sup> ranked teams of the groups are playing for the title of the Superleague winner.

The winner of group A shall be seeded as no. 1, the winner of group B as no. 2. The winner of group C shall be drawn to seeding positions no. 3 or 4. The other seeding position (3 or 4) shall be taken by a 2<sup>nd</sup> ranked team of the groups observing that teams of the same group shall be drawn to opposite halves. Teams seeded as number 1 and 2 shall receive a BYE in the quarter finals. So the other 2<sup>nd</sup> ranked teams of groups shall be drawn to remaining positions also observing that teams of the same group shall be drawn to opposite halves. The winners of the semi-finals shall play for positions 1 and 2, the losers for 3 and 4. The losers of the quarter finals shall play on the same system for positions 5 - 6. In the Challenge Play-off 3<sup>rd</sup> and 4<sup>th</sup> ranked teams of the groups shall play for positions 7 - 12 accordingly

All team matches of the Superleague shall be played on the Swedish System (former Swaythling Cup), including 1 doubles. So 3 players shall form a team, but additional players may be nominated for the doubles. The order of matches between team A (players a, b, c) and team X (players x, y, z) shall be:

1	Doubles
2	a – x
3	b – y
4	c – z
5	b – x
6	a – z
7	c – y
8	b – z
9	c – x

3 match points shall be awarded for a win, 2 in case of a tie, 1 for a loss in a played match and 0 for a loss in an unplayed or unfinished match. The ranking order shall be determined primarily by the numbers of match points gained. If 2 or more teams have gained the same number of match points their relative position shall be determined by the ratio of wins and losses in individual matches, games and points, as far as is necessary to resolve the order. If the positions of 2 or more teams are still equal after using the procedure mentioned above their positions shall be determined by lot.

In the preliminary and in the 2<sup>nd</sup> stage a team match is finished if a team won 6 individual matches (in case of a score of 6:0 a 7th individual match shall be played). If in matches of the 2nd stage each team has won one leg, the winner will be the team with the better aggregate score first in individual matches, then in games and finally in points. If they are still equal the winner shall be decided by lot.

Any team which fails to fulfil a fixture more than twice in the first or in the second stage shall be disqualified from the Superleague and will not be eligible for participation in the next season.

After the first stage only teams shall be ranked which have played more than 50 % of their matches.

After the 3<sup>rd</sup> and also after the 6<sup>th</sup> single one of the following 3 players may be replaced. The nomination of the reserve player must be done at the time of the team nomination before the start of the team match.

The decision whether a player shall be replaced or not according to the above system shall be taken just before the relevant individual match.

A team match shall be played on 2 tables simultaneously.

Starting of matches with an uncomplete team is not possible
